Experience

UX/UI design | Intern | Remote

FlyRank

Aug 2026 – Present | Chicago , Illinois

Joining Flyrank.ai as a UI/UX Design Intern to craft seamless digital experiences. Responsible for designing wireframes, prototypes, and visual interfaces while working closely with developers and product teams to translate user needs.

Machine Learning & Generative AI | Internship

Big Brains

Aug 2026 – Aug 2026 | remote

18 August 2026 – 30 August 2026 (2 Weeks)

During this program, I had the opportunity to dive deep into hands-on projects, build and optimize ML models, and explore practical applications of Generative AI. It's been an incredible experience refining my skills, tackling real-world problems, and staying at the forefront of AI technology.

UX/UI Design Virtual Internship

Decodelabs

Jul 2026 – Aug 2026 | remote

Over the course of this internship (July 27, 2026 – August 27, 2026), I had the chance to step out of my comfort zone and dive deep into real-world design challenges. From crafting seamless user flows and interface architecture to solving practical UX problems, it was a journey filled with learning, growth, and continuous refining.

Software Quality Engineering (SQE) | Internship

Big Brains

Aug 2026 – Aug 2026 | remote

10 August 2026 – 22 August 2026 (2 Weeks)

Executed manual and functional testing processes to ensure software reliability, performance, and quality assurance standards. Developed clear test cases, test scenarios, and bug reports to document system behavior and track issues.

Graphics and UX/UI Designer | Remote

picsofficial.com

Jan 2025 – Jun 2026 | Rawalpindi, Punjab, Pakistan

During my time as a Graphics & UI/UX Designer, I was responsible for end-to-end digital design solutions, including web and mobile app interfaces. I created user-centered UI/UX layouts, social media graphics, and promotional marketing assets .

Sales Manager | onsite

Statelife Insurance Corporation Of Pakistan

Jan 2023 – Sep 2024 | Sukkur , Sindh , Pakistan

Leading a high-performing sales team and driving business growth strategies at State Life Insurance Corporation. Team Leadership: Recruited, trained, and mentored a team of financial consultants to enhance sales performance and customer service standards.
